

Important: Always disconnect the power before installing or replacing bulb and before cleaning or other maintenance.

## Assembly & Installation Instructions

1. Insert the legs into the bracket, and use the Allen key to tighten the Allen screws to secure.  
Before tightening, align the legs so the feet sit flush on the floor.
2. Install 100W medium base bulbs. (not included).
3. Place shade on threaded stem, secure with finial.
4. Plug in the cord. The rotary dimmer switch is located under the large plate.

## CARE INSTRUCTIONS

Dusting – Use a clean, dry cloth.

Cleaning – To protect the finish, avoid any harsh abrasives or chemicals.
